Your Generosity Is Changing Generations: A Message From Our CEO

**“Not Enough
Words to Express
My Gratitude”**

Rev. Daniel Petruska
CEO, 180 MINISTRIES

***‘The need is great, but I
believe your hearts are
even greater.’***

There are not enough words in the dictionary for me to truly express my gratitude as the CEO of 180 MINISTRIES. I've had the privilege of speaking with many of you, and it's truly inspiring to see how your personal missions and passions align so perfectly with our work in transforming broken lives.

The generosity of your time, resources, and prayers creates everlasting ripple effects on our students. ***Through your support, they are redeemed in Jesus, their feet set back on the Rock of Christ, and they rediscover their God-given calling.*** As a result, they become successful, productive members of their communities. Your prayers and support change not only their lives but also the lives of their children and families for generations to come.

As we approach the end of this year, we are aiming to raise **\$385,000 to fund scholarships for students** who need full or partial assistance. We never want financial barriers to stand in the way of someone's healing journey. It is because of your generosity that these individuals can find their way back to their heavenly Father.

Visit our website, 180MINISTRIES.NET to give today. When you donate, please select the **“Where Most Needed”** option for your gift. Your contributions will rescue men, women, and families from sex trafficking, domestic violence, addiction, homelessness, and other life-controlling issues.

My heartfelt appreciation goes out to you. Together, we are fulfilling our mission and making heaven more crowded. **Thank you for your partnership and for being a beacon of hope!**

With Deepest Gratitude,
Pastor Daniel Petruska
CEO, 180 MINISTRIES

Catching Up With The Directors

Director, Julianne Garton has seen it all and has provided leadership and guidance for the hundreds of women she and her team have served in the decade plus in her role. We share testimonies in our newsletters of the redemption stories that God is writing for each woman and those with children that we are blessed and called to serve. Lives are healed, relationships with Christ are formed and renewed, and healthy families are reestablished. It is truly a miracle to see the transformation of the women we serve.

Activities are abounding for the women throughout the year to include trips to Grand Mesa, riding the gondola in Telluride, hiking Ridgeway Reservoir and so much more!

Jonathan McKeehan, Director
180 MINISTRIES
Denver Colorado

Director Jonathan McKeehan recently welcomed his first child into the world, and we all celebrated this incredible milestone in his journey and the wonderful blessing of new life. He shared his full testimony at the Lisa TerKeurst event last year, and there wasn't a dry eye in the house!

As a U.S. Marine who endured significant trauma—and the ensuing numbness that came through drugs and alcohol, Jonathan's transformation is nothing short of miraculous.

Now, as the Director of the Men's Center and a newly married father, we rejoice in the amazing work that God has done in his life. As a graduate of the Men's Center himself, his heart is fully committed to leading the team and serving the many men in their care with excellence and passion.

Thanks to your faithful support, Vibrant Life Behavioral Health continues to transform lives through our two centers. Under the leadership of **David Sellar**—a 180 Ministries Men's Center graduate—along with his wife **Sarah**, and fellow graduate **Jota Hocksmuth**, the counseling side of recovery has become a vital, faith-centered part of lasting change.

Every day, men and women find freedom from trauma, rebuild emotional health, and rediscover purpose through the therapies and care your generosity provides. With God at the center, He remains the ultimate source of healing and hope—and through your partnership, we're honored to be part of His work.

For Most of His life, Sean Feared the Future

Since coming to 180 Ministries five and a half months ago, Sean's life has changed in countless ways—from his thoughts and behaviors to his health, faith, and walk with Christ. Before arriving, his decision-making and thinking were distorted; his memory and cognitive processing were failing, and he lived under the weight of depression, anxiety, and a complete lack of confidence. Through GSNL classes, contract work, and counseling, Sean has been able to shake off the rust, regain mental clarity, and develop new tools for his recovery journey. Most importantly, he has rekindled his relationship with Jesus and his family, and has hope to face the future without fear.

A Heartfelt Thank You: Celebrating Our 2025 Gala!

Our 2025 banquet was a wonderful success! With 260 guests, we filled the Montrose Pavilion to capacity, creating an evening full of fellowship, gratitude, and hope. We were blessed to see old friends of the ministry, some who have faithfully supported us since our beginning in 2005, and to welcome new friends who share our belief in the work the Lord is doing here. Together, we heard powerful stories of transformed lives, freedom from addiction, and restored families.
